TOURIST ATTRACTIONS:

PARIS

- ◆ **Arc de Triomphe** - Showcases a majestic Neoclassical design adorned with intricate sculptures depicting French history and military triumphs. Its base holds the Tomb of the Unknown Soldier, honoring those lost in World War I.
- ◆ **Place de la Concorde** - Surrounded by notable buildings such as the Hôtel de Crillon and the Palais Bourbon and Palais de la Légion d'Honneur. The Tuileries Garden lies across the Seine River, enhancing the square's picturesque setting.
- ◆ **Champs Elysees** - Is a boulevard in the 8th arrondissement of Paris, which runs between the Place de la Concorde and the Place Charles de Gaulle, where the Arc de Triomphe is located. It is famous for its theatres, cafés and luxury shops, and for the military parade that takes place each year on the avenue on 14 July to celebrate Bastille Day.
- ◆ **Eiffel Tower** - The Eiffel Tower is an iron lattice tower located on the Champ de Mars in Paris. It was named after the engineer Gustave Eiffel, whose company designed and built the tower. Erected in 1889 as the entrance arch to the 1889 World's Fair, it was initially criticised by some of France's leading artists and intellectuals for its design but has become both a global cultural icon of France and one of the most recognizable structures in the world. Once the tallest structure in the world, the Eiffel Tower is probably Europe's best-known landmark and Paris's most famous symbol.

BRUSSELS

- ◆ **Grand Place** - The Grand Place or Grote Markt is the central square of Brussels. The square is the most important tourist destination. It is a UNESCO World Heritage Site.
- ◆ **City Hall** - The City Hall of Brussels is a masterpiece of the Gothic civil architecture of the 15th century. The wealth inside also makes it one of the most luxurious city halls of the country. It possesses an important artistic and historic heritage (paintings, sculptures, tapestries).

AMSTERDAM

- ◆ **Amsterdam** - The capital city of the Netherlands is famous for its picturesque canals, historic architecture, and vibrant cultural scene. Often called the "Venice of the North," the city offers iconic attractions such as the Anne Frank House, Van Gogh Museum, Rijksmuseum, and the lively Jordaan district. Amsterdam is also known for its cycling culture, charming narrow streets, and bustling markets.

LUCERNE

- ◆ **Lion Monument** - The Lion Monument is a sculpture in Lucerne, Switzerland, designed by Bertel Thorvaldsen and hewn in 1820–21 by Lukas Ahorn. It commemorates the Swiss Guards who were massacred in 1792 during the French Revolution, when revolutionaries stormed the Tuileries Palace in Paris, France. Mark Twain praised the sculpture of a mortally-wounded lion as "the most mournful and moving piece of stone in the world."
