NAMIBIA

- **NamibRand Nature Reserve** - Spanning an area of 172,200 hectares and encompassing four distinct ecosystems, the NamibRand Reserve of southern Namibia is among the largest privately owned game parks in Southern Africa. Founded to conserve the unique environment and wildlife species of the Namib Desert, the park's mix of dunes, mountains, rocky outcrops, sandy flats, and gravel plains provides habitats for a diversity of mammals, including hyenas, jackals, foxes, antelopes, and various wild cats. A plethora of bird species, reptiles, insects, and frogs also have their home here, alongside an array of plant species. Discover the mysterious 'fairy circles', unexplained bare patches in the sand, or enjoy a night of sublime stargazing - having been named Africa's first International Dark Sky Reserve, it is one of the least light-polluted areas in the world.
- **Swakopmund** - Set along Namibia's spectacularly scenic coast, the seaside town of Swakopmund is known for its wide-open avenues, colonial architecture, and its surrounding otherworldly desert terrain. Founded in 1892 as the main harbour for German South-West Africa, Swakopmund is often described as being more German than Germany. Now a seaside resort town, Swakopmund is the capital of the Skeleton Coast tourism area and has plenty to keep visitors happy. The quirky mix of German and Namibian influences, adventure options, laid-back atmosphere and cool sea breeze make it a very popular Namibian destination. Visitors can look forward to a number of exciting activities including: quad biking, horse riding, paragliding, fishing, sightseeing and fascinating desert tours.
- **Greater Windhoek** - Windhoek, the capital of Namibia, lies at the heart of the country, encircled by magnificent mountains, expansive valleys, and fertile farmlands. The landscape of the Greater Windhoek area surrounding this bustling city is characterised by vast valleys, thick scrub, rocky hills, and covered in golden savannah. Visitors can explore the dry river beds and mountainous scrublands, as well as enjoy birding, leopard-spotting and view large quantities of wildlife in the north; visit the more arid eastern part with its olive, potato, and date plantations; explore the rolling hills of the Khomas Hochland Mountains in the west of the Greater Windhoek area and soak up the epic views along a number of scenic passes leading off the high plateau, including Bosua Pass, Gamsberg Pass, and Spreetshoogte Pass.
