- ◆ **Jagalchi Market** - Korea's largest fish market since 1889 is a must-go destination for all seafood lovers out there! The market offers every type of fish and seafood you can imagine and serves it in a very unique way. You can also eat all the sashimi you wish for a very reasonable price!
- ◆ **Yongdusan Park** - Is considered a favorite resting place among the citizens of Busan. It is called Yongdusan because the shape of the mountain looks like the head of a dragon that climbs to land from sea. Yongdusan park has an area of about 69,000 m.

GYEONGJU

- ◆ **Gyeongju Gyocheon Traditional Village** - Offers an immersive experience where visitors can wear traditional hanbok while exploring a historic village of over 700 hanok houses.
- ◆ **Bulguksa Temple** - The representative relic of Gyeongju and was designated as a World Cultural Asset by UNESCO in 1995. The beauty of the temple itself and the artistic touch of the stone relics are known throughout the world.
- ◆ **Woljeong Bridge** - was originally built during the 19th year reign of King Gyeongdeok, the 35th King of Silla. However, it was destroyed and what was left was just the stonework of the original bridge. After a series of thorough research, the bridge was re-constructed into what it looks like now. Woljeong Bridge is most attractive in the evening when the colorful lights are turned on. In spring, the cherry blossom trees in bloom add beauty to the already scenic bridge.
