## TOURIST ATTRACTIONS:

### KANAS

- **Kanas Scenic Area** - Known for its changing colours through the seasons, Kanas Lake is surrounded by snow-capped mountains, forests, and meadows. Scenic spots like Wolong Bay and Moon Bay offer stunning views of the crystal-clear water. Tuva wooden houses and herders' tents add ethnic charm.

### BURQIN

- **Burqin Five-Coloured Beach** - Five-Coloured Beach in Xinjiang's Burqin River Valley is a vivid Yadan landscape shaped by wind erosion, with rock formations glowing in shades of red, yellow, purple, and grey. The river divides the scene into rugged desert on one side and lush greenery on the other. At sunset, the colours deepen, creating one of northern Xinjiang's most iconic vistas.

### KARAMAY

- **Urho Ghost City** - Located in Karamay, Xinjiang, this area is famous for its dramatic wind-eroded rock pillars and "castle" formations. The rocks rise in striking shapes — spires, solitary peaks, and natural corridors — with the wind whistling through them, adding an eerie, mystical aura. The landscape is both desolate and majestic, especially at sunset, when the rocks glow in golden light, creating a breathtaking view.

### SAYRAM LAKE

- **Sayram Lake** - "Sayram" means blessing in Kazakh and the lake is commonly known as "Santai Haizi." Nestled in the West Tianshan Mountains like a shimmering sapphire, Sayram Lake is surrounded by lush meadows and verdant pastures. Sitting at an altitude of 2,073 meters, the slightly oval-shaped lake stretches 20 km east-west and 30 km north-south, covering 454 square km with a maximum depth of 86 meters. It is the highest and largest alpine cold-water lake in Xinjiang.

### KURDENIN

- **Kurdening Scenic Area** - Part of the Tianshan Kurdening National Forest Park, this 4A scenic area is home to one of the best-preserved primitive spruce forests in the Tianshan Mountains. Featuring alpine valleys, forest grasslands, and clear streams, it is characterized by vast spruce forests and layered landscapes. Located within the Tianshan World Natural Heritage site, it offers open valleys, distinct seasonal scenery, and a rare alpine forest landscape in the Ili region.

### URUMQI

- **Xinjiang International Grand Bazaar** - A landmark traditional market in Urumqi, Xinjiang, showcasing the region's diverse ethnic cultures. With its distinctive architecture and vibrant atmosphere, it reflects the rich heritage and daily life of West China. "Bazaar" means market in Uyghur, while "Grand Bazaar" refers to a large marketplace, highlighting its long-standing role as a hub for trade and cultural exchange in Xinjiang.
