It symbolizes Vietnam's rapid modernization and economic growth. Located along the riverside area in Ho Chi Minh City, the tower's design is inspired by a bundle of traditional Vietnamese bamboo, representing unity and aspiration. The building houses an international shopping mall, a wide selection of restaurants and cafés, luxury residences, and hotel facilities. Visitors can also enjoy the observation deck, which offers breathtaking 360-degree panoramic views of the city skyline and the scenic Saigon River. Whether during the day or at night, Landmark 81 remains one of Ho Chi Minh City's most popular landmarks and must-visit attractions.
- ◆ **SaiGon Central Post Office** - This is one of the oldest buildings in Ho Chi Minh City. The Central Post Office was built around 1886 – 1891 based on Villedieu's design, a famous French architect.
- ◆ **Ben Thanh Market** - Located in District 1, Ho Chi Minh City, Vietnam, it is one of the most iconic traditional markets in the city and a popular destination for both tourists and locals to shop and enjoy local cuisine. The market was originally built during the 19th century under French colonial rule and was later relocated to its current location in 1912, becoming an important landmark of Ho Chi Minh City.

### VUNG TAU

- ◆ **Christ The King Statue** - Is located at the top of Nui Nho (Small Mountain) in Vung Tau and is one of the city's most iconic landmarks. Built in the 1970s, it features a giant statue of Jesus Christ with outstretched arms, symbolizing peace and blessing. Visitors can climb the staircase to reach the viewing platform inside the statue, where they can enjoy a breathtaking panoramic view of Vung Tau's coastline and cityscape. It is one of the most popular spots for sightseeing and photography.

### MUI NE

- ◆ **Mui Ne Fishing Village** - Is one of the most iconic traditional fishing villages located along the coast of Mui Ne in Phan Thiet. The village preserves its authentic fishing heritage and offers visitors a glimpse into the relaxed coastal lifestyle of local fishermen. Every morning, fishing boats return to shore with their fresh catches, creating a lively and unique harbor scene. The sight of colorful fishing boats and rows of traditional round basket boats floating on the sea has become a popular photo spot for visitors.
